What's in this download

- 10 ready-to-use banner images (PNG, 1707x336) — the perfect Google Classroom size.
- Editable Banner Template (.pptx) — type your class/teacher name and export your own PNG.
- Terms of Use.

Use the ready-made banners

- Google Classroom: open your class → Customize (or Upload photo) → select a PNG.
- Google Slides / PowerPoint: Insert → Image to use as a header or agenda banner.

Make your own (editable)

- Open the .pptx, type into any [...] box, then export: PowerPoint File → Export → PNG, or Google Slides File → Download → PNG. Each slide is already the right banner size.
- Fonts use Arial so the file displays correctly on any computer.
